

# Curbside Trash Collection Routes

**New trash can delivery starts  
Monday, June 22<sup>nd</sup>**

**Curbside Collection service starts  
Monday, June 29<sup>th</sup>**

## **Express Disposal Announces Curbside Collection Service for City of Ashburn Homeowners Beginning Monday, June 29th**

Ashburn, Ga. — Express Disposal is excited to announce that curbside collection service for homeowners within the City of Ashburn will officially begin on June 29, 2026.

As part of the transition, new Express Disposal trash carts will begin being delivered to homes the week of June 22–26. Residents may notice the new carts being placed throughout their neighborhoods during this time. Flyers will be attached to the carts and will include each resident’s service schedule and important contact information.

Although new carts may be delivered before June 29th, residents should continue using their current cart and follow their normal trash pickup schedule until Express Disposal service begins on Monday, June 29th.

### **To ensure smooth and safe collection, residents are asked to remember the following guidelines:**

- All carts must be placed curbside no later than 7:00 AM on the scheduled collection day.
- All trash must be bagged and placed inside the cart provided by Express Disposal. Items placed beside the cart will not be picked up.
- Only Express Disposal carts will be emptied. Private carts cannot be collected.
- Carts should be placed at least six feet away from mailboxes, power poles, vehicles, and any other obstructions that may prevent the truck from safely collecting the cart.
- Please leave your old carts on the street. Golden Environmental will be picking up all of their old carts.
- Ashburn Mobile Home Park on Joe Lawrence Road will be included on the Monday Route

For questions or additional information, residents may contact Express Disposal at 229-352-4300 or email [info@expressdisposal.co](mailto:info@expressdisposal.co).
